Home Language International (HLI)

We have a dedicated expert staff of 14 in our offices including the whole of the Josephs family. We offer English language courses and more than 20 other languages in over 30 countries worldwide. More than 5,000 students take advantage of our services every year.

Your OWN private course

You stay in an experienced teacher's family home, have one-to-one lessons and then continue to use the language during the rest of your stay.

Our language courses are designed for your needs and because you are the only student you are guaranteed individual attention!

All of our teachers have a university degree (or equivalent) and/or a recognised teaching certificate.

Our Chief Executive Ian Josephs M.A. (Oxford) **originated** the idea of living in the teacher's home in 1979 and was the first to offer this service

HLI is an accredited member of:

Abls Accreditation
The Accreditation Body for Language Services

ALTO Association of Language Travel Organisations

STANDARD COURSES

Standard Courses include:

- Full-board accommodation in an experienced teacher's home.
- 10, 15, 20, 25 or 30 hours of private language lessons per week.
- You can also book lessons + informal activities (such as 10 hours lessons + 5 hours activities). Unlike our Combined Courses (Language & Sport, Language & Culture, Language & Leisure) which have the organised activities stated in our brochure, the activities in the Standard Courses are decided informally by student and teacher after arrival and are a very good way to practise your language skills by spending time outside lessons with your teacher. Examples of informal activities: shopping, cinema, local visits, bowling etc.

Extra language lessons cost £22, €40 or US\$40 per hour.

Informal Activities cost £22, €40 or US\$40 per hour + an expenses supplement of £13, €15 or US\$18 per hour (which is used to pay for any transport or entrance fees for the student and the teacher).

Combined Courses

These combine a language course with the organised activities below (e.g. sport, culture etc.). All courses include (unless mentioned otherwise):

- Full-board accommodation in an experienced teacher's home
- 10 hours of private language lessons per week
- The stated sport, leisure, culture etc. activities
- All costs (entrance fees, sports equipment hire, transport etc.)

Extra language lessons cost £22, €40 or US\$40 per hour.

Extra activities (sport, leisure etc.) on request.

- The Combined Courses are not always available all year round and may not be suitable for all ages. They are also subject to weather conditions.
- You can also choose different combined courses e.g. 1 week of sports + 1 week of culture etc., though the courses should be in the same area to avoid a change of family.
- Prices given are per person per week. 20% reduction per person for 2 students sharing.

Language & Sports courses

10 hours of private language lessons per week combined (unless mentioned otherwise) with 3 private sports sessions per week of about 1 hour (this may be longer if you join a group of students at a similar level). Sports sessions usually take place with a professional instructor but may also be with a member of the host family (when a suitable member is available) or with the local organiser.

Important:

- Please remember to indicate your sport level on the booking form.
- You must insure against illnesses and accidents to yourself or third parties.

Language & Culture courses

10 hours of private language lessons per week combined with the stated cultural visits (e.g. visits to museums, castles and other famous places of cultural interest). Cultural visits usually take place with your language teacher but can take place with any member of the host family. If you prefer to devise your own programme in a different way from those we offer please let us know what you require and we will give you a price.

Language & Leisure courses

10 hours of private language lessons per week combined with the stated leisure activities (e.g. cooking, shopping, dancing, drawing etc.). The leisure activities (3 sessions of about an hour each unless mentioned otherwise) usually take place with your language teacher but may also be with a member of the host family or with a professional instructor.

UK July 7th special conditions

For arrivals on July 7th with the programme 10 hours of lessons + 5 hours of activities it is quite likely that since this is the busiest time of the year we may sometimes be unable to find a family that matches the exact requirements of the student. In such cases we reserve the right to offer you a family in which you will share accommodation and activities with another student of a different nationality. In that case you will still have your own bedroom and the lessons will remain separate therefore not shared, only activities and meals will be shared. You are of course free to refuse this option but due to the fact that this is one of the busiest week-ends of the year it is possible that we may not be able to offer you any alternative.

Practical advice

- We recommend you bring at least £50, €75 or US\$75 spending money per week. EU students travelling to an EU country are advised to get the European Health Insurance Card. All students are advised to have personal insurance to cover any cancellation, loss of property etc.
- You should contact the host family by phone or email at least one week before your stay. Our host families would like to learn more about you, your food preferences, language level and what you are expecting from your stay. This will help them prepare better for your stay.
- Families in a foreign country may not have the same way of living as you. There may be different rules, food, and living conditions. You should be ready to accept cultural differences in order to get the most out of your stay.
- Smoking: In many countries you cannot smoke in public areas (bars, restaurants etc.). Very often, our host families do not allow smoking in the house. If there are smokers in the host family they will often smoke outside or only in a specific area in the house. When you book your course you can tell us if you prefer a non-smoking family.

"We would like to thank you for everything you did for our daughter. She enjoyed every minute she had with your family." N.P., France

General

HOME LANGUAGE INTERNATIONAL (HLI) CONSIDERS THE CHOICE OF FAMILY TO BE MORE IMPORTANT THAN A SPECIFIC TOWN AND RESERVES THE RIGHT TO PLACE THE STUDENT IN ANOTHER AREA IF THERE IS NO COMPATIBLE FAMILY IN THE AREA OF FIRST CHOICE OR IF THE ORIGINAL FAMILY SELECTED CANCELS THROUGH ILLNESS OR PERSONAL PROBLEMS. However, if the family we select does not match the requirements as stated on the booking form, students are free to cancel and will receive a complete refund provided the refusal is received no more than 48 hours after the family profile was sent. Once a placement has been confirmed, requests from students for changes of area, dates or course are subject to an alteration charge of £100, €150 or US\$150. HLI must be notified of any problems or complaint before the end of the stay - no retrospective claims against HLI will be considered. Enrolments are accepted on condition that students have no illness or infirmities that they do not mention and explain in advance. HLI reserves the right to place a student with more than one host teacher on a given course and/or change the tutor before or during the stay. HLI also reserves the right to organise a homestay with one family and lessons with an outside teacher if a teacher family cannot be found.

Transfers

If transfers are booked HLI must receive flight numbers and arrival times at least one week in advance otherwise the transfers are cancelled and non-refundable. If no transfers are booked the student should contact the family directly to let them have an approximate arrival time. If the family do not hear from the student, they will not expect them before 19.00h.

Cancellations & Insurance

If a cancellation is made well in advance (by post, fax or email) a credit note may sometimes be given for lessons and accommodation, valid for a year. No refunds will be given for cancellation, accident, illness, loss of property or for any other reason. Students **MUST** take out their own insurance against illnesses, accidents to themselves or third parties and cancellations.

Alteration charges

Alterations of area, date or course often mean cancelling one family and finding another, so we must charge £100, €150 or US\$150 in every case.

Cancellation charges for agents only

The cancellation fees are as follows:

- up to 14 days before arrival = £100, €150 or US\$150.
- 14 days to 48 hours before arrival = 50% of total fees.
- 48 hours or less before arrival = 100% of total fees.

When any of the Combined Courses are cancelled at any time, we may have to refund the payment for the activity side of the booking to the family in full because they may in turn have paid for the Combined Language Course activity several months in advance to be sure to secure places in busy periods. We then charge £150, €200, US\$200 cancellation fee for the activity part of the course (the average cost). These amounts must be added to our normal cancellation fees in all cases except when 100% of the fees are due.
